IAC-D-6/11.6
5 March 1956

Memorandum for the Secretary,
Departments of State and Defense Military
Information Control Committee

Subject: : Soviet Missile Capabilities Estimate

References: a. SHAPE Letter to SD-MICC dated 14 January 1956
b. SD-MICC Memo to Secretary, IAC, dated
8 February 1956

1. References a and b have been considered by the Intelligence Advisory Committee.

2. The Intelligence Advisory Committee requests that the Assistant Chief of Staff, Intelligence, SHAPE, be informed that Soviet capabilities in the field of guided missiles are the subject, in part, of the work now underway in the annual Standing Group intelligence exercise.

3. SHAPE and SHAPE major subordinate headquarters will therefore shortly have available the most current estimates of Soviet capabilities, including capabilities in the field of guided missiles.
